1. The people you have met this morning, Ted, are of Me and cling to Me and serve Me with their faces only not, but serve Me in heart. I love you and I give you Me.

2. I give you the words of My mouth because you give Me the words of your mouth. I give you My heart because you have given Me your heart. I give you My time because you have given Me your time. You are My priority because you have made Me your priority. I am number one with you because you have made Me number one. You have lifted Me high and I lift you high. And I give you praise and honor and glory for all the times you have given Me praise, honor and glory; for all the times you let praise roll out of your mouth, flow from your heart, singing and dancing, speaking and writing--agonizing at times, the purity of truth. I love you. I love you and I give you Me. Breaking open truths revealed, centuries old, misunderstood, you are, you have, you will--this morning even, this afternoon—My friend, My prophet—My words revealed, opened up, breaking open My New Covenant, breaking open commerce and taking it back for Me—breaking open the details of commercial transactions: understanding how they reflect Me, My ways, My values, and how and why they can be built and sustained and prosper in My values, in My words, in My integrity. Go forth, doing so, do so. Build and plant, plucking up untruth here and there as I show you, enabling you, empowering you, speaking in power. I love you.

3. I love you My Stephen, My Nancy, My James, I love you. I love you and I give you Me. Listen for Me, My words, My revealings, My what I want to do in you, in your lives, in the work of your hands, in the words of your mouth; your body healed, My body healed, wounds many diminishing, healing flows. I love you.

4. I love you and I give you Me—eyes wide open, eyes wide open—cameras, critics, cartoon caricatures, compliments many, communications misunderstood--all a part of it, Ted. You are strong and getting stronger, tainted-not knowing the source of mammon: pride, self-exaltation, Lucifer fallen, Me not exalted.

5. Nations will now come to you for one reason only--to hear Me, to see Me, to see Me in them, to see Me in their country, to see Me in their commerce, to see Me in their beggars making organizations not on streets belittled, demised, but arised, arised in Me, spiritual integrity of only Me. I love you.

6. Some easy, some hard, some flow wildly, some drip. I flow, I flow and My fountain flows, My words flow. I come, I call, and I confirm.

7. Off the high dive you are, in mid-air—I love you, I love you—suspended in only Me, My waves, My ways, My transcendence, My suspension system, My gravity, and My overcoming of all physical barriers, circumstances not subject to Me. I love you.

8. Our relationship, relationship, relationship My body now to you, to Me, through Me, through each other. I love you.
9. **Honor and integrity matters, honor and integrity matters; respect, kindness matter**. I love you.
10. Jimmy comes of Me. See Me in My Jimmy. I love you.
11. I love you My Clarence, My Claire, My cartoon critics whose cartoons will compliment and critique not the move of My hand experienced by your mouth, your heart, as I come forth. Watch Me. I love you.
12. Experiencing My mid-air experience, experiences you are. See Me, feel Me, continue in Me. I exalt you. Your jaw is set, your course determined and I thank you. Many will not understand. Many, many did not understand Me, do not understand Me, did not understand My prophets, do not understand My Jeremiah, My Ezekiel, My Hosea, and what these words mean to their lives today, right now, right now, time now. Yet so much is, so much applies, so rich, so richly before them. Come glean, those who will, you who listen, ask Me. Let Me share My fish with no stones [1]. I love you. I love you.
13. Roll on, pressing in, the next level you are, royalty. Thank you. **See how I am taking street people from poverty to palaces**—you are, you will, you do, you see, thank you—unashamed, clearly embracing Me, My status, My status, My ways, My emotion'd ones who I emotion and stave now, stave with piercings of only Me—love bullets, staves of integrity, righteousness, indignation not, resentment not, meekness and humility in the spirit of only Me coming forth in power, devising recognizing and driving out that which is not of Me in them. I love you.
14. Purity, purity, purity be. I thank you. I come and I call and I raise My Jeremiahs, My Ezekiel's, My prophets of prophets, cadres of kings and queens and princes of only Me: men and women, children, all over My globe, all over My stellar system, constellations of only Me. You see, you know. I have confirmed in My word things thought radical in your heart.
15. I am bringing many others from parts far to affirm, confirm, and enjoy the global-ness with which I am—interstellar--watch Me. See Me and live in Me not. I love you.
16. Into the spirit I take you, into the spirit I take them, into My hand, My joys, My heart, you who will let Me, you who limit Me so severely yet speaking My name, thinking you are free.
17. I am freedom. **I am not rules and rule books, and I am not the traditions and dogmas that you have adhered to in the past and think are so set in stone**. I am creative, The Creator and I rock, I am The Rock, and I am moving like never before. Let Me rock your world. Let Me demolish the strongholds which hold you back in your thinking, the patterns ingrained, often since your birth; generational curses, words spoken, freed from. I love you.
18. Let Me come now. Let Me sound wave you with My sound waves, My arc waves, My sine waves, My oscilloscope-ing devices of only Me; megatrons of Me and not of this world—Me, Me, My words, My power, My glory going forth.

19. Watch the cartoons not that criticize My glory, My power. Friend to My vehicles they will not come.
20. Makers of righteousness come, meek'd hearts who meekness seek, strengthened strong ones of only Me— at My knee, My time, My **hours a day**, My hour a day minimum, My hours of day, who seek Me in My fullness. I love you.
21. I give you Me, I give you My words, I give you London royal. I love you. Royally be Me. I love you. Fear not. In mid-air you already are. I love you. I give you Me.
22. Funds come, funds some-funds many, funds never without. I love you.
23. Endowment comes, authority increases revealing Me.
24. Healing and timidity-smashing authority arising My people flows from My throne to the fountain of My grace, through the words of My power. I thank you.
25. I love you now, graced be. Grace in My Tim [Stemple]. Grace in My sight. My grace-My Tim. Tell him "thank you." I grace now My Tim with My peace and My position, My power prevalent, thank you. The hours, the desires, the requests, the intercession, thank you. The kindness before Me, thank you. The times with Me, thank you. Thank you. My Tim, I say thank you. I love you and I give you Me. I bless you, I bless your household, complete, replete, see Me and question not My repleteness, My completeness, and what I do, how I do what I do. I sweeten you, I strengthen you and your household comes complete in Me. I love you. I love you and I give you Me. Bless Me I do, bless Me you do, I bless you. Thank you.
26. I love you now, your meetings, your tools, your technology, your helpers. I thank you. I bless you.
27. All comes, all is, all there. See Me. All there, Ted. All there; critics, cartoon makers, consumers who have prioritized others over Me. You will see, you will see Me move and cartoons change. I love you. Grasp Me--hold on--no seat belt needed, thank you--love piercing every armor, love piercing every face, moistening every eye, no matter how intense, no matter how crucial, critical, Ted. They fall before Me when they feel My love. My love. My love? My love please flow through you more, **more: gentleness, meekness, kindness, temper none, none, none; impatience none**; Me, Me, My time, My space, My place, be Me. I am I Am. You are I Am. I am Me.
Amen
